

Trail Building & Repair

~~~~~Learn sustainable trail building techniques~~~~~

Connecting Trails on Public Lands in Tucker County, West Virginia

Heart of the Highlands Trail System will partner with Tucker County High School to provide training and hands-on experience in sustainable trail building techniques and trail maintenance.

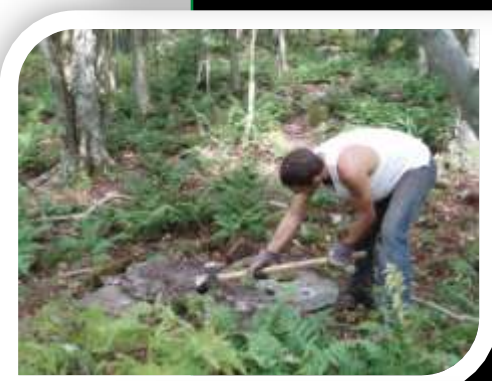

Training and trail work will be done at Tucker County High School and on the Outdoor Learning Trail. Students will learn valuable trail building skills while the Outdoor Learning Trail receives needed work. Volunteer trail building days will be scheduled on the Heart of the Highlands Core Loop Trail.

*April 23, 25, 26, 30 May 2, 3*

*After school: 3:15 - 5:15*

- Attendance required all six days
- Volunteer trail building on Saturdays, April 28 & May 19
- Students completing all requirements will receive certificates for free pool, tubing *or* sledding at Canaan Valley or Blackwater Falls State Parks *or* free mountain bike rental at Blackwater Bikes

Register by Friday, April 6.  
Talk to Mr. Hamric for more information.
